Education: Essence For A Brighter Tomorrow

The graduating class of 1969 has chosen "Education: Essence for a Brighter Tomorrow" as their motto. The term "essence" refers to the quality of a subject that constitutes its very existence. A majority of our graduating class plans to continue their education. Hence, those who continue their education are striving for a brighter and most promising tomorrow. We feel that those who do not pursue educational goals will enhance the name of Dunbar through some other aspect. May this essence that we speak of forever burn in the hearts of our class members and light their ways to brighter futures and happier tomorrows.

As we develop into citizens of the world, we must realize that in order to achieve success, we must do our best.

Through our tenure at Dunbar High School, we have displayed our ability and have achieved success upon the publication of the '69 Wildcat.

In our days spent at Dunbar working on our annual, we have not only widened our horizons, but we have also become more mature in all phases of life.

Only one great year out of many, and but one small part of the many experiences we have encountered at Dunbar are depicted in this year's annual.

There were many days when our effort seemed futile, but refusing to surrender, we believed that we had compiled a successful product which students would cherish in the years to come. This is by far the best Wildcat in years. We hope that after having turned page by page you will agree that indeed it was worth the effort.

Time never ceases, and with its passing are many changes. The graduates of 1969 will leave, but behind them remains the job of re-organizing clubs and teams. It is my desire that those who follow will go on to complete their education and look forward to a brighter tomorrow.

The printing of this publication climaxes another year at Dunbar--a year like no other in its history. Illustrated in this book are the activities that took place at Dunbar during the past year. The seniors, faculty, teams, and departments are all pictured throughout the following pages.

I hope our motto, EDUCATION: ESSENCE FOR A BRIGHTER TOMORROW, will serve as an inspiration to present and future Dunbarites, so that their years at PLD will be as successful as all of ours have.

PAUL LAWRENCE DUNBAR SENIOR HIGH SCHOOL

Fort Worth, Texas

Office of the Principal

We are now reaching our second year of experience as a separate senior high school in this community.

Our experiences have been rich and fruitful. The many modern facilities that we have had at our disposal, certainly should have served to inspire us to better accept the things that are necessary to help us to make worthwhile contributions to this society of ours.

As Principal of your school, I wish to express my appreciation to all of you for the splendid cooperation that we have received from you.

We also wish to commend the members of the Journalism class for the time and energy that they have given in organizing and publishing this second Wildcat for the Paul Lawrence Dunbar High School.

The school, with its faculty and administrative staff, is anxious to provide the very best in education for the boys and girls who come within its confines.

With this, we hope to encourage the type of citizens of which we can be proud.

Your Principal,

J. Martin, Jacquet

We, the officers for the graduation year '69, will attempt to be the best class officers in the history of our school. It is certainly our desire to make this class one that will long be remembered.

We are sure with a student body as great as ours, we will be successful.

Student Council

"The strength of a people is reflected in the strength of its government." This statement by an unknown author can be used to measure the strength of the student body at Dunbar. The members of the Student Council are chosen by fellow students because of the leadership qualities that they possess.

"To be a leader, one must be able to follow." Student Council

representatives possess an excellent record in citizenship and rank average academically. They think creatively enough to contribute to the improvement of the school, dedicated to making it one that will not be so quickly forgotten when its remains have demolished with age.

National Honor Society

President ---------- Ernest McGhee
Vice-Pres. --------- Theresa Powell
Secretary ---------- Sharon Smart
Asst. Sec. --------- Janice Fitzgill
Treasurer ---------- Shirlette Glover
Parliamentarian ------ Michael Allen
Sponsor ------------ Mrs. J. Vinson

The members of the National Honor Society are selected on the basis of scholarship, leadership, service, and character. The National Honor Society requires its members and candidates to rank scholastically on an 85% minimum or its equivalent. They must also take a constructive lead in classroom, homeroom, and school activities. Putting service to others above self-interest is definitely a characteristic of an Honor Society member. One must meet promptly individual pledges and responsibilities to the school and teachers by demonstrating high standards of honesty, reliability, and fairness.

Dear Mary "Joe",
I'd am permitted
to call you this. Well,
anyway I am going
to anyway whether
I am permitted or not.
Since I've known you
my life has become richer
and brighter. And am not
sorry I know you. I hope
the feeling is mutual. May
you always have success and
happiness in everything you
attempt to do. May all your
troubles be smaller than
your wishes come true
and may God ever protect
you throughout your entire life.
A friend forever and ever

Autographs

To The one I Love

"Hello My Love"

This is a few lines to let you know the the way I fill, is a great filling. It has been a great change. You and mother have made a different person out of me. If God and I will always be together I what you say hard to please with. Go on as sweet as you are, and you won't have to worry about me, I am here. Sent Love
